Saving homes, saving families™

Hi,

I hope this note finds you well. I am writing to introduce myself and to let you know that we are available to help seniors in your community. I am a Housing Counselor at Westchester Residential Opportunities, Inc., a HUD certified not for profit housing counseling agency. Westchester County Department of Planning has given us a grant to counsel seniors about how to age in place. If any seniors in your community are experiencing delinquency in their taxes there are some solutions available to them. If they are over 62 and would like to “Age in Place”, I can help them plan a budget, figure out if they can afford to pay their past due taxes and to stay in their homes, and, if not, counsel them about selling their homes and applying for affordable housing.

I would welcome the opportunity to speak with you and to see if we can help your seniors. Please call me at 914-428-4507 extension 303 or email me at alazarus@wroinc.org. Please distribute the two flyers I have enclosed.

Sincerely,

Aviva Lazarus
